Suggested edits below in red & strikeout, and notes from me in green. Looping in Thuy and Jeff on this, too. Thanks, Rhina!

Subject: Media inquiry: FDA action on PFAS in plastic packaging

Hi Andrea,

EDF published a [blog](#) piece last week calling for a ban on polyethylene fluorine gas treatment. What's the latest from the EPA on this issue, and how is it working with the FDA to address PFAS-contaminated HDPE containers? My deadline is Wednesday at noon.

Thanks again,
Julia
